

SSR

Sustained Silent Reading

What is SSR?

Sustained Silent Reading is a period of time designated when everyone in the school is reading.

Why implement SSR?

Instilling good reading habits in our students is important. We hope to demonstrate that reading can be a pleasurable and rewarding activity, and one that is not just associated with school work.

What will the students read?

We are encouraging students to bring novels, newspapers, magazines- anything other than a text book- to encourage them to read for pleasure and explore subjects of interest.

When will students read?

Two thirty minute segments per month, occurring on Fridays, will be devoted to the SSR initiative.

PLEASE ENCOURAGE YOUR CHILD(REN) TO BRING READING MATERIAL FOR SSR. TOGETHER WE CAN SEND THE MESSAGE THAT READING IS A LIFE-LONG SKILL THAT CAN BE APPLIED BOTH IN AND OUT OF SCHOOL.
